Enlist - Response to Comments - DRAFT - 11 April 2014.docx

That's a good idea. I am free all afternoon. Would you like to just send me a meeting invite for the time that works best for you? Attached is my latest draft, but be warned, it needs more work!

Thanks,

Sarah

Hi, Sarah-

I just got back to my desk and had a message from Dan about the Response to comments. He suggested that we try to get together this afternoon and discuss again. I only have one meeting (from 2:00 – 2:30 pm) to work around, so let me know what time works for you and if you can send me the most up to date version that you have.

Thanks.

Debra
